

answers may vary:

- 1) Matt Nelsenador
- 2) nelsenm@crc.losrios.edu
- 3) I am a DJ for KDVS.

OR

Last April, I was in a play at American River College.

OR

This April, I went to Death Valley and "swam" in the salt lake in Badwater Basin.

OR

I have two dogs, and one of the dogs has two different colored eyes, and when the eyes reflect light, those colors are different too.

OR

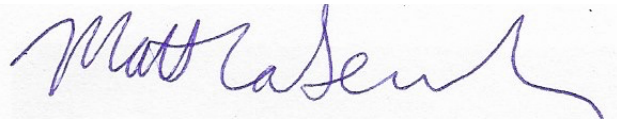

I recently had to say goodbye to my Saturn of 25 years, and so change my answer to Question #14

4) I love math, especially calculus and statistics. I've taught Stat 300 over 25 times since I started in Los Rios. (I never even took a stats class to get my math major at UCD... how does that even make sense?)

5 and 6) I took lots of Math classes at UCD through 1999.

7) I probably won't pass, since I am the instructor.

8) Matt Nelsenador

9)

10) 1

11) 1

12) 66.1

13) 7.5 hours

14) Yes, red

15) Yes, Democrat

16) Coraline

17) Math 400, first semester calculus (taught, not taken)

18) 29

19a) teaching 2 classes

19b) about 25 hours

20) yeah, that's my work

21) housework (including laundry, yardwork, cleaning, walking the dogs, cooking):

10 hours, exercise 5-6 hours, radio 8-10 hours

22) Saturdays

23) done

24)

25) What is the most beautiful thing you have ever done in your life?

How many songs have you written?

What is your least favorite food?

When will grades be available?

Where did you watch the 2017 total solar eclipse?

What is your favorite month and why?

How many states have you been to?

What day and time is your show?
